Combine the blocks to find the total.

Answer: ____

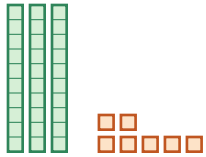
4) Maria had 37 apples and used 36 of them. How many apples are left?

Cross out 36 blocks to subtract.



Answer: ____

Answer Key — Sheet A

1) 465 + 28 = 493
2) 219 – 170 = 49
3) 86 + 148 = 234
4) 37 – 36 = 1
